ABOUT ME

I'm a self-taught junior web developer with experience in HTML, CSS, JavaScript, WordPress, PHP, React, and Tailwind CSS. I enjoy building clean, responsive websites and practical interfaces, and I'm ready to grow within a professional team while continuing to sharpen my skills.

WEB DEVELOPMENT EXPERIENCE

***WEB CONTENT EDITOR (VOLUNTEER) – HHT IRELAND, VIA DUBLIN CITY COUNCIL
JAN 2026 – PRESENT***

- Maintain and update a live WordPress website using Divi, working directly with the organisation's founder on assigned content and website tasks. Update patient stories, page titles, permalinks, and hero images, ensuring changes are applied safely on a production site. Communicate changes clearly and respectfully when handling sensitive personal health content as part of an ongoing volunteer role.

***WEB DEVELOPER (VOLUNTEER) – GREENHOUSE CULTURE, VIA DUBLIN CITY COUNCIL
AUG 2025 – PRESENT***

- Built and customized WordPress themes with PHP, creating dynamic, responsive templates for events and content. Worked with WordPress template hierarchy, collaborated with a senior developer, and used Docker, Local by Flywheel, and Git/GitHub in a local development setup.

WORK EXPERIENCE

***GENERAL OPERATIVE AT 101DELIVERY.IE
APRIL 2013 - APRIL 2023***

- Managed and fulfilled customer orders with attention to detail and efficiency.
- Assisted in implementing a web-based order management system, sparking interest in web technologies and UI design.
- Developed problem-solving skills by troubleshooting logistical challenges, enhancing abilities applied in frontend debugging and project work.
- Collaborated with cross-functional teams to streamline workflows and improve operational efficiency.

GENERAL OPERATIVE AT CUISINE DE FRANCE 2012

- Inventory Management: Efficiently organized and managed frozen stock orders to maintain optimal inventory levels.
- Organizing packages and pallets to ensure smooth operations.
- Attention to Detail: Diligent in ensuring proper stock rotation and organization to prevent spoilage and ensure quality.
- Time Management: Effectively prioritized tasks to meet tight deadlines in a fast-paced environment.
- Safety and Compliance: Adhered to safety standards and regulations while handling frozen goods and operating in a warehouse environment

Education

- St. Joseph's Secondary School – Dublin, Ireland [2005–2010] - Leaving Certificate
- eCollege Dublin, Ireland [2022-2023] - Responsive Web Design
